## CHICAGO THURSDAY MORNING MAY 6 1858.

Muy 6: 1868

which matter was referred to the committee of Appeals. The committee report that Detroit Union becoming convinced she had proceeded in regularly in the case, withdrew the appeal.

The Union then went into committee of the Whole on Mr. Lynch's resolution discouraging strikes. The intelligence of this resolution has been affirmed at three or four previous assumm of the National, Union.

Mr. Smith, of Philindelphia, objected to the form of Mr. Lynch's resolution and affered the following an a substitute:

Resolved, That we recommend all subcriticates the fact of their demands before they order a strike, and let not too harty legislation control that deliberations.

Adopted.

Recoved, That we recommend all subordinate Unions fairly and calmaly to counsider the justice of their demands before they order a strike, and let not too hanty legislation centrol their deliberations. Adopted.

The committee two and reported progress—the President resuming the Gaste, and the resolution passed in committee was taken up in the Union and peaced manulmously.

The committees to whom had been referred the communication of Mr. Hanford of Danville. Illinois, saking this Union to provide measures for the communication of Mr. Hanford of Danville. Illinois, saking this Union to provide measures for the committees of country Unions, reported it not feasible; but that Mr. Hanford was enlitted to the thanks of the cert for the interest to takes in the came of this Union. The report was adopted.

Mr. Faryahar, of Petersburg, from the committees on Finance, reported the books, &c., of the late Secretary in retier a mixed condition. A vote of commer was enhancemently passed upon Mr. Whileomb five gross neglect of duly.

The People Union having paid twice for a charter, she was, on motion, refunded fire dellars.

Mr. Ondry, ex-President, inhunitied his annual apport, which was extremely lengthy—embracing a large correspondence from about the Culcium.

Mr. Cuddy's action as the executive efficer of the Union was endorsed, and is sate of thanks lensiness.

The appeal came of printers employed in the Bootton Union as the proper holy to solid the history.

A vote of thunks was returned back to the Booton Union as the proper holy to solid the matter.

A vote of thunks was tendered b. Viraham of New Orleans, for his command and embrantly successful laters to presently the mass of the National Union.

At which was calculated tendering the mass of the National Union of the passed to return the theory and tendering the mass of the National Union for their kind invitation.

A communication was received from the Chicago votes Mars' a disconting the subordinate Unions to exchange lists of measures in good standing quarterl ill is an except of what the complya-tion the united a peace and the people's any capact when the masses apeak tion was held four days after the pas-tic English bill.—The amouddering of the bunkes lighted on that occasion cound to burn. The cabous of the field at Washington, to signalize the field at Washington, to signalize the

orms Punno.—Next Tuesday evening May 11, the Chicago Reach! Union produce, for the dest time in Chicago, a Grand Oction.

The society liave been engaged for several weeks past, in reduceding this mast exhibite work of Hadyn, "The Creation." And to make the performance as acceptable in punishe, they have secured the services of those distinguished featured singers, Mrs. Bostwick and Mrs. Muzari. A full and powerful orchestra his dilto their engaged.

These preparations involve an aspense of several hundred dollars—much greater than that of an ordinary concert...

The question very naturally arises: Will it pay? We have been told that the people of this city were not prepared for a performance of this character—that they will not appreciate a grand enterior. This

those of our gitigens who prefer music of an elevat-ed character, we have ventured upon the experi-ment—and in order that all may come, we have

Indianapolis, In.

At the municipal election in Indianapolis on Tuesday, the entire Republican tacket was secretly 100 to 20 majority. Fire cut of sewen Conneilmen are Republicana.

The city election was beld on Tuesday, and was warmly contested. The entire Republican ticket was successful, by a good majority. In fayotte has herectofore been largely Democratic examples of need being a good majority.

Personal and Political.

Gen. Schooler has sold out his interest in the Columbus (Ohio) State Journal, and returns to Boston to take charge of the Duly Be. On Friday evening a parting supper was given to Gen. S. at the Nell House in Columbus, which was very largely attended. Ex Gov. Medacy presided, and on the left Gov. Chase. Speeches complimentary to their guest were made by Gove. Medary and Chase, Judge Warden, Mr. Foster of the Sisteman, and others.

The New York Triante learns that Rev. Dr. Walker will probably resign the Presidency of Harvard College, before many months.

The Albany Gourier, a fourbiding paper, published in Gentry Caunty, Mo., has come out in favor of Free Labor is Missouri.

The Laballe Free, hitherto a neutral paper, has joined the Republican ranks, and will hereafter battle vigorously for the right. Mr. E. C. Stevens has parchased an interest in the Press, and will be one of its actions.

Petitions are in circulation at Rochester for the commutation of the sentence of Ira Stoulconnected with the marder of Littles—to imprisonment for life.

connected with the manuar of instance of inprisonment for life.

It is stated that the translation of Gueranzi's
Beatzion Conel, which appeared under the name
of Mr. Watter Sherman, the wire of a prominent
New York banker, was executed by an Italian
governess in her family.

Benjamin Talbott, an old and highly respected attizen of Springfield, and formerly recorder
and circuit clerk of Sangamon county, died at
Springfield on Thursday last. inglield on Thursday last.

COMMERCIAL The system of grain inspection adopted by the Board of Trade the spring, varies community from the state of Implection of the charge of the ch the made of impection of last year, and the change is undoubtedly for the better. A Chief Inspector is appointed by the Board of Trade who daily stiends to and regulates the grades of grain throughout the city. This preserves a mitormity of grade is all the grade that it received fire, and grain of the same grade will be equally good at all the warehouse. The Chief Inspector appellus assistants with the concurrence of the directors. They are to be good judges of grain, and every way qualified to perform the duffer assigned them. The Chief Inspector and his assistants are subject to removal at any time by the directors, if found, incompetent or remote is the discharge of their duties.

Whenever parties interested desire it, grain shall Whenever parties interested desire it, grain shall be impected when delivered by the warehouses; and should there be a disagreement between the interested parties in to the quality of the grain, the decision of the impector shall be final. In case the warehouse men do not detirer grain that complete with the grade eatief for by the warehouse receipts, they shall be finale, unless they can return a top grave that they deliver grain as industrial of the translouse. The impection, thus to be paid by the party employing the Inspector, are as follows, viz: ALG SHA STATE EYB AND EAB.
